

SAPHNA welcomes you to join as a member if you are a School Nurse, working with School Nurses or passionate about our work and values.

SAPHNA, a charity, is an internationally recognised professional organisation that will provide you with a whole range of professional benefits; joining us will also demonstrate your commitment to the health and wellbeing of children, young people and families.

We currently have a reach of over 20,000 comprising School Nursing and the Public Health Nursing workforce, Parents, Governors, Commissioners, Providers, Teachers, Social Workers, Third Sector Partners, Children's Charities and more.

School and Public Health Nurses play a critical role in ensuring that children and young people thrive and enjoy a healthy and happy childhood and, in turn, adulthood. SAPHNA commits to supporting you to deliver on this!

Benefits

SAPHNA places huge value on the children and young people's workforce and, as such, wants you to enjoy maximum benefits from your membership. Below are some of the benefits you will enjoy.

Maximising Your Professionalism

- Increased visibility of the profession through our joint work.
- Opportunity to grow your own experience and portfolio through participation in our developments.
- A forum through which to have your voice heard.

Communications

- Quarterly electronic newsletter with the latest news, evidence, research, and other relevant reports.
- Members-only access to practice forums to enable healthy discussions and debates.
- Opportunity to influence policy and practice via consultations/representations.

SAPHNA Students Support

- Half-price membership fees for the period you are studying, including all membership benefits.

On top of these membership benefits, we also offer:

- National expert advice.
- Guidance, resources, and support regarding your research.
- Facilitation/suggestions regarding alternative practice.
- A range of opportunities to shadow, from operational through to strategic, including Governmental, to help fulfil your learning outcomes.
- Support/links to publication.

Research

- Support from SAPHNA academic advisors regarding research.
- Research best practice forum.
- Research involvement opportunities.
- Links to the wider national and international research agenda.
- Access to a research repository.

Corporate Membership

Corporate membership, either as an NHS trust, employer, higher education institution (HEI) or industry partner, will enable you to demonstrate your commitment to your School and Public Health Nursing workforce, giving them the support and access to all the resources that are available through membership to SAPHNA.

NHS and Employer Organisations

SAPHNA has a legacy portfolio of direct work with NHS and other employer organisations. To compliment this, we will now also offer corporate membership. You can join all of your School and Public Health Nursing workforce, including students. This will ensure that your workforce will have access to the most up-to-date information and developments relevant to their work, thus, enhance the delivery of high quality, research based practice.

Higher Education Institutes (HEIs)

We are delighted to offer HEI membership to those involved in the development and delivery of education to/relevant to School and Public Health Nurses. This will enjoy the national benefits of working alongside SAPHNA and locally will provide access to up-to-date contemporaneous resources, training and learning to further underpin your teaching and training.
